This identity and credit information and these listings could adversely impact on your future applications for credit, if the relevant future credit provider's application approval policies and processes include consideration of the number of past inquiries as being indicative of something adverse or negative about you as a borrower.

We have no control over or input into the credit reporting body's policies with regard to the content of their credit reports. When you indicate your consent or acceptance of this Privacy Consent Agreement, you will be agreeing to the possibility that the current or future information on your credit report may prevent you from obtaining the loan you are currently seeking, or some future loan.

If We are unable to verify Your identity by the above means, the company will inform You, so that You might contact the verification company or credit reporting body to update Your information they hold, or You may ask Us to attempt to verify Your identity by alternative means.

You also have the right to ask the relevant credit reporting body not to use Your information for pre-screening credit offers and/or not to use Your information, if You believe that You have been a victim of fraud.

Commercial credit information

In order to assess an application for commercial funds, Rapid Loans may obtain a report containing information about Your commercial credit activities and/or credit worthiness from a credit reporting body. To the extent that any of this information could be regarded as personal, the provisions outlined in this section, in regard to personal information, apply.

From time to time Rapid Loans may send You information concerning its, and any further related company's credit products and services. Every time such information is sent, You will be given an opportunity to indicate whether or not You want to receive any further similar messages.

SECTION 2

Information Disclosure and Communications Under the SPAM Act 2003

You are informed that Section 16 of the Spam Act provides that Rapid Loans cannot communicate with You via a “commercial electronic message” (email, fax, SMS) without Your consent. As You would expect, for speed and convenience, where possible and with Your permission, Rapid Loans would prefer to communicate with You using such electronic means.

Without Your permission, written communications will have to be conveyed by Australia Post.

SECTION 3

The Electronic Transactions Act 1999

You are informed that the Electronic Transactions Act requires that, before Rapid Loans can communicate with You electronically (email, fax, SMS), You also have to give permission under that Act for Rapid Loans to communicate with You in that way.

Rapid Loans seek Your permission to:

1. electronically format and send You the information that We are obliged to provide under the National Consumer Credit Protection Act 2009 and associated Regulations;
2. send You electronic messages, rather than providing paper copies.

You are informed that, in giving this permission, You are agreeing to:

- (a) use the relevant computer programs and have sufficient internet capacity to interact with Rapid Loans’ system;
- (b) regularly check Your email Inbox and/or fax machine and/or SMS Inbox;
- (c) not blame Rapid Loans if any properly sent electronic message does not reach You; and
- (d) notify Rapid Loans of any changes to Your electronic addresses, and absolve Rapid Loans from any liability if You fail to do so.

Rapid Loans remind You that You can withdraw Your permission for the above at any time, provided You give Rapid Loans 24 hours’ notice, confirming Your current address and contact details.

SECTION 4

Information Disclosure under the Commonwealth Anti-Money Laundering and Counter-Terrorism Legislation

You are informed that, under the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Act), there are provisions for the use of credit reporting information, to assist in identity verification. By consenting to this section, You attest that Rapid Loans has informed You of the statutory provisions.

Under Section 35A(1), this can include the electronic provision of Your name and/or address and/or date of birth, as You may have provided to Rapid Loans, to a credit reporting body by electronic communications. Such information can and frequently has to be provided to a credit reporting body. This information can and frequently has to be provided to credit reporting bodies by Rapid Loans, for a matching process entailing comparison with personal information about You they already have on their files.

If there is no satisfactory match found and/or the level of verification which We must seek, as part of both our AML/CTF responsibilities and our mandatory credit unsuitability/suitability assessment process under the National Consumer Credit Protection Act 2009 and associated Regulations, is not achieved, Rapid Loans must give You the opportunity to verify Your identity by alternative means.

In these circumstances, if You choose not to attempt to verify Your identity by contacting the credit reporting body Yourself, or by alternative means, or Your contact with the credit reporting body is unsuccessful, or Rapid Loans determine that the alternative has failed to provide adequate identity verification, Rapid Loans cannot give You a loan. To do so would threaten our Australian Credit Licence.

Please note that We have to keep a record for 7 years, regarding which credit reporting body We contacted, the personal information We provided and the assessment with which We were supplied.
