---

### Distribution conditions and restrictions

#### Distributors must be appropriately authorised

Brokers and Referral Partners must:

- provide Rapid Loans with evidence of their appropriateness and ability to act as distributor of the Product;
- hold an Australian Credit Licence or be a Credit Representative authorised to engage in credit activities under the NCCP Act;

- hold membership with the Australian Financial Complaints Authority (AFCA);
- provide Rapid Loans with evidence of this authorisation on an upfront and periodic basis; and
- must keep this authorisation up to date and in good standing.

Failure to satisfy these conditions will result in the distributor being ineligible to distribute the Product.

This will be monitored through Rapid Loans' access to information and reporting requirements under its agreement with the distributors.

**Distributors training and competence**

Brokers and Referral Partners must:

- complete Rapid Loan's accreditation and training requirements;
- complete formal onboarding session with Rapid Partnerships Manager;
- complete and sign 'Rapid Loans onboarding declaration' form post onboarding session.

**Distributors must have and comply with an agreement with Rapid Loans**

Brokers and Referral Partners must enter into an agreement with Rapid Loans covering the distribution of the Product which must be complied with on an ongoing basis. This includes obligations in connection with:

- maintaining ongoing competence and capacity to distribute the Product, including ensuring training and support to staff of any broker and following the compliance and guidance materials provided by Rapid Loans in connection with the Product;
- the provision of information and reports to Rapid Loans in connection with its conduct and the distribution of the Product; and
- ongoing compliance with laws.

Brokers and Referral Partners must escalate any issues in connection with the distribution of the Product to an appointed point of contact at Rapid Loans for that broker.

**Training and oversight of Rapid Loans personnel**

Rapid Loans may directly distribute the Product to customers through its website. Staff involved in the distribution of the Product:

- receive ongoing training in connection with the Product, Rapid Loan's obligations in connection with the Product and Rapid Loans' regulatory obligations more generally; and
- are monitored through assurance programs such as sample file monitoring for errors.

**Rapid Loans' online distribution channel**

Rapid Loans may directly distribute the Product through its website. The Rapid Loans website is kept up to date to ensure that the website accurately describes the Product and its key attributes.

---

**Distribution must be consistent with regulatory requirements**

Distribution of the Product must be undertaken consistently with the regulatory obligations that apply to it. Rapid Loans will only distribute the Product where:

- the target market determination has been made and published for the Product and has not been withdrawn;
  - the distribution is consistent with the target market determination; and
  - ASIC has not issued any intervention restricting the distribution of the Product.
-
